**THE AMBASSADOR**

Tokyo, 27.02.2026

Dear Students,

On behalf of the Embassy of the Republic of Kosovo and on my own behalf, I warmly congratulate you on your graduation from Yamanashi Gakuin University.

This is an important milestone for you and your families, especially your parents, who have supported you throughout your journey. During your studies, you have embraced universal values such as respect for others, community engagement, and the use of reason in solving problems.

Four years ago, I left my position as a professor to serve as Ambassador of Kosovo to Japan. Each graduation reminds me of the joy of students and the pride of professors. Today, I join your professors in celebrating your success.

As you begin new paths — whether continuing your studies or starting your careers — I wish you health, confidence, and a bright future.

Sincerely,

Prof. Ass. Dr. Sabri Kiçmari  
Ambassador
